We are Climbing to represent all those who suffer from lung disease, especially those who are close to our hearts. You can support our efforts just by donating. ANY amount is greatly appreciated. Your generosity would mean a lot to us and all those who benefit from the work of the American Lung Association. Lung disease is on the rise and your donation would help fund research and provide education and advocacy efforts.

To help support our efforts, and to change lives, please donate by visiting our team website www.vallealaclimb.com then click on “DONATE” in the top right hand corner. Under team type U Hart RT FAM --> GO --> Click on Team --> Donate Now.

If you are unable to donate but are still interested in supporting the American Lung Association, please consider being a Volunteer at the climb in Hartford on April 23, 2016 to cheer on the participants as they race. You can sign up at lung.org or just visit the website to learn more!

Thank YOU so much! – U HART RT FAM
