Join the HAS Endowment, Inc. for a trip to Providence, RI for a day of learning and sight-seeing at the RISD Museum and the John Brown House Museum. Upon arrival we will have a guided tour of the RISD Museum: the tour will offer an overview of works from the Museum’s collection, and an examination of the institution’s history and architecture to better understand its vibrant role in a community of artists and designers. Lunch will be a short walk away at the Parkside Rotisserie with a prix fixe menu. We will conclude our day with a tour of the John Brown House Museum to learn about life in the 18th-century, as well as some of the most pressing issues of the day, including slavery, the American Revolution, the merchant/China trade, and the significant role of Rhode Island in the history of our nation.
