

INTERNSHIP ROADSHOW PANEL

Monday, Feb. 11 | 4-5:30 p.m.
Gengras Student Union, Room 331

PRESENTED BY: CTNext and
the Connecticut Technology Council

OPEN THE DOOR WITH YOUR DREAM COMPANY!

Attend this event to:

- Network with professionals from local manufacturing and tech companies
- Speak with professionals from small to large companies about current internship opportunities and internships that will soon be offered

CETA students have had some impressive internships at organizations like Pratt & Whitney, UTC Aerospace Systems, and even NASA!

NASA HAS BEEN A DREAM OF MINE FOR A WHILE. My favorite part of the internship was hearing all about the exciting research on cutting-edge technology that is going on around me and the idea that I could play a role in sending humans to Mars."
